### Detailed Information:

On July 28, 2017 at approximately 1130 hours, I (FWO Ebann) discovered trash (b) (7)(E) of Charlie Bell Well on CPNWR (b) (7)(E). The trash consisted of 1 empty 5 gallon Ace Hardware bucket w/ lid, 5 empty 1 gallon water jugs, and multiple breakfast bar wrappers. The No More Deaths humanitarian group frequents this area to leave food and water supplies (b) (7)(E). They have been observed with similar items in the bed of their trucks and also hiking with 5 gallon buckets while on the CPNWR.

### Offense Information

N/A

16 USC 668dd National Wildlife Refuge System Administration Act 50 CFR 27.94 (a) - Littering, including disposing, dumping garbage, refuse, sewage, sludge, etc on NWR
